Mr. W. A. Anderson,
711 Davis St.,
Jacksonville, Fla.

Dear Sir:

Your letter received. I want to thank you very much for the information in it. I am very sorry but I do not feel that I will be able to come into that section of Florida on this Training trip. I am planning to train in Savannah, Ga. and doubt very much that I will get any further South than Jacksonville. We have to build these trips around the places we think will be the most profitable Sunday, and I am afraid there isn't a spot that far south in Florida that would be worthwhile for a Sunday. Then too, I am not planning to arrive in Camp until April 7th, which is of course after Easter Sunday.

I greatly appreciate your co-operation and hope to see you on my trip South.

Yours very truly,

AM:CCJ
